Local Link Wexford provides secure, reliable and affordable transport for the rural communities of Co. Wexford.

We offer a range of services; from seven, six and five-day public services routes to once and twice weekly pre booked services routes across the county of Wexford.

Where possible we will collect passengers from their homes if they cannot get to the nearest bus stop. To enquire about this service please contact us on 053 919 6276 or 053 919 6279. Alternatively see our web and email address on the back page.

This door-to-door service is only available on the pre booked routes and not on the public service routes.

To accommodate you on your journey on our rural services, where possible, we ask that you please try to book your seat by 3.00pm the day before you wish to travel. If you wish to travel frequently on our services you can register with us over the phone and we will then reserve a seat for you each week, once registered your seat will be booked every week.

In addition to the services in this booklet, we also operate four public service routes:
